## 8450FM/8455FM Soft-Close, Sidemount Drawer Slides with Force Management™ Technology

Force Management™ (FM) from Knapé & Vogt® is the next generation of soft-close drawer slide technology. It establishes a new standard in soft-close functionality by delivering superior performance in dampening action, effortless drawer opening and smooth operation.

The 8450FM/8455FM slides, built on the time-tested KV 8400 slide platform, include a patent-pending Force Management™ module that utilizes an innovative rack and gear system. This system places mechanical forces where they are needed to significantly reduce the effort to open a drawer and deliver a smooth and easy drawer closure.

- **8450FM:** Full-extension 100-pound class rated (in 12" to 28" lengths)
- **8455FM:** 1" Overtravel 90-pound class rated (in 16" to 28" lengths)
- Non-handed slide design allows for easy, flexible installation
- Push-in lever disconnect allows for easy drawer removal
